Visit our digital development page for online presentation instructions. Access to other services for submitting and development of the city here is how to connect with other Departments of the city that provide virtual and in-management services that allow and development to the PDC. Some processes will change over time. Austin Energy: email aebspaespa@austinenergy.com to set appointments for virtual or person services. The service himself will be planned for the next working day. The structure is designed to provide a process of development without continuity, all in one place, for residential and commercial customers who prefer the in-personal services Know Before You Go: Doing Business at the PDC APPOINTMENT REQUARRE FOR DSD SERVICES Most PDC departments require appointments. The PDC APpointment Scheduler currently offers virtual appointments for customers of the Development Services Department (DSD), starting from the next working day. The appointments of the same day are not available and the appointment times vary according to the type of service requested. And if you want to receive a veteran designation on your renewed license, you should apply in person. This path, which is part of an initiative of City of Austin, should expand in the coming years. It is easily accessible using IH-35, US-290 or US-183. Follow the instructions on your notice for the renewal via email, and look at information carefully. Parking the PDC includes six levels of parking on site for customers and employees, including 20 EV top -up stations at level 2. There is no cost for parking during the first months of Please keep in mind that only level 1 has 8 feet of space for higher vehicles.
